# TEAM RECON

[www.nro.gov/teamrecon](http://www.nro.gov/teamrecon)

These are the step-by-step instructions for how to fold the TEAM RECON Paper Spy Plane the user would print from the download.

1 - Fold the page in half, lengthwise along the dotted line, so that the image is on the inside.

2 - Fold the edge shown in red to match the edge in green along the dotted line. Flip over and repeat the fold.

3 - Fold the edge shown in red to match the edge in green along the dotted line. Flip over and repeat the fold.

4 - Fold the edge shown in red to match the edge in green along the dotted line. Flip over and repeat the fold.
